Transferring at Woodside to Mets-Willets Point

• Woodside is the transfer station between Long Island points and Mets-Willets Point. Customers traveling from stations on Long Island should change at Woodside to the Port Washington Branch trains shown in this timetable for service to Mets-Willets Point.

• Trains to Mets-Willets Point depart from Platform B at Woodside. Trains from Mets-Willets Point arrive on Platform C. Trains to Jamaica and points east leave from Platform A. When tickets are collected on your train, inform crew member that you are going to or from Mets-Willets Point so that ticket can be properly serviced and returned for use on connecting train.

ADA Accessibility Note

LIRR customers with mobility impairments who are traveling to see the Mets at Citi Field ballpark should travel to Woodside Station. At Woodside Station, which is ADA accessible, customers should transfer to a Flushing-bound #7 subway train to the Mets-Willets Point subway station, and then use the ramp to reach Roosevelt Avenue, across from Citi Field ballpark. To return to Woodside after the game, customers with mobility impairments would need to board the #7 subway and travel one stop east to its end point, the Flushing-Main Street Station. There, after a brief wait on the train, the subway will head west to Woodside. (This is necessary due to the location of the ramp, which will only permit access to the eastbound platform.)

Your Safety Is Our Top Priority!

Help us make your trip safer!
- Step over the gap between the train and platform when boarding and exiting.
- Never stand at the edge of a platform.
- Never lean over a platform to see if your train is coming.
- Never attempt to retrieve something from the track area.
- If you drop something onto the tracks, notify a LIRR employee for assistance.
- Never lean against standing trains.
- Be extra careful in the winter, especially if ice forms on stairs and platforms.
- Obey posted instructions if the platform is undergoing rehabilitation.
- Avoid waiting on the platform at an empty platform.

Before Boarding Your Train

The Long Island Rail Road is a smoke-free public transportation system. Smoking is prohibited at all times on all trains and in all waiting rooms, elevators, staircases and enclosed waiting areas. Smoking is also prohibited in outdoor ticketing, boarding and platform areas of terminals and stations.

On Your Train

Please make sure that your ticket is available for immediate presentation to the conductor when "All Tickets Please" announcement is made. If you must change trains enroute, please hold on to your ticket for presentation on subsequent trains. On trains that stop at Jamaica, two inspections of your ticket are made, both before and after the Jamaica stop.

Most LIRR trains have restrooms in every other car. These are always the odd-numbered cars. Check the car number on the outside or the inside of the car to locate a restroom equipped car.

Luggage should be stored in overhead racks and not take up seat space or block the aisles or doorways of trains. It may not be left unattended; customers must remain near their luggage. Bags and containers are subject to random search by MTA police.

At Your Destination

Please carefully check around your seat and overhead rack to make sure you do not leave anything behind. Should you forget something, our Lost & Found Office in Penn Station, located in the Main Gate area opposite tracks 13-14, will be happy to help. Open weekdays 7:20 AM - 7:20 PM or Call 511 (Say "LIRR" then "Lost & Found").

Please help us keep our trains clean by taking any coffee cups, paper bags or other disposable items and deposit them in the receptacles on the station platform. Newspaper recycling baskets are conveniently located on the concourse level at Penn Station.

Transferring at Woodside to Mets-Willets Point

• Woodside is the transfer station between Long Island points and Mets-Willets Point. Customers traveling from stations on Long Island should change at Woodside to the Port Washington Branch trains shown in this timetable for service to Mets-Willets Point.

• Trains to Mets-Willets Point depart from Platform B at Woodside. Trains from Mets-Willets Point arrive on Platform C. Trains to Jamaica and points east leave from Platform A. When tickets are collected on your train, inform crew member that you are going to or from Mets-Willets Point so that ticket can be properly serviced and returned for use on connecting train.

ADA Accessibility Note

LIRR customers with mobility impairments who are traveling to see the Mets at Citi Field ballpark should travel to Woodside Station. At Woodside Station, which is ADA accessible, customers should transfer to a Flushing-bound #7 subway train to the Mets-Willets Point subway station, and then use the ramp to reach Roosevelt Avenue, across from Citi Field ballpark. To return to Woodside after the game, customers with mobility impairments would need to board the #7 subway and travel one stop east to its end point, the Flushing-Main Street Station. There, after a brief wait on the train, the subway will head west to Woodside. (This is necessary due to the location of the ramp, which will only permit access to the eastbound platform.)
