# MY AAR Taxi Authorizations

## How does MY AAR Taxi Authorization work?

MY AAR allows customers to request authorization to use taxi or other for-hire vehicle services for certain trips planned one to two days in advance. Using the new Taxi Authorization option in MY AAR, customers can request a taxi authorization without needing to call. When the authorized trip has been completed, customers can seek reimbursement either by mail or online, just like they do now with a taxi authorization booked by phone.

For detailed information on AAR’s Taxi Authorization policies, see <https://new.mta.info/accessibility/access-a-ride/policies-and-forms/taxicab-car-service-reimbursement-policy>.

## How far in advance can I schedule a Taxi Authorization?

Taxi Authorizations through MY AAR can only be made for trips scheduled one to two days in advance; for taxi authorizations on the day of service, call 877-337-2017 and follow the prompts for 24/7 assistance.

## How do I request a Taxi Authorization?

On the Home page in the Booking Requests widget, select the **Taxi Authorization** tab.

- Enter **From** and **To** addresses. When you begin to enter an address in the From or To field, addresses will be autogenerated in a dropdown menu, from which you can select your desired address.
- Under **Your Taxi Authorization Request**, enter trip date and time using dropdowns and text box. You may complete a trip request for the coming two days until 5:00 PM. Between 5:00 PM and 12:00 AM, you no longer be able to schedule trips for the next day.

When you have entered all the required information for your trip, click **Submit Trip Request**.

The screenshot shows the 'Booking Requests' interface. At the top, there are three tabs: 'Paratransit Trip', 'Paratransit Subscription', and 'Taxi Authorization'. The 'Taxi Authorization' tab is selected and highlighted in orange. Below the tabs, there are two input fields labeled 'From\*' and 'To\*'. Underneath these is a section titled 'Your Taxi Authorization Request' with an information icon. It contains a dropdown menu for the date, currently showing 'Thursday, January 16, 2025', and a text box for the time, currently showing 'hh:mm aa' with a clock icon. At the bottom of the form is a large white button labeled 'Submit Trip Request'.

Once the trip is booked, your **Taxi Authorization Confirmation** will appear in a pop-up window, as below. Above your reservation details, you will see a green banner that indicates **Your taxi authorization has been approved**. Note your Taxi Authorization/Trip ID number, highlighted below in red, as you will need this information to receive reimbursement for your Taxi Authorization.

## Where can I travel using Taxi Authorization?

Taxi Authorization is currently permitted for those trips with pickup and drop-off locations that are within the same borough, except on Staten Island. Taxi Authorizations between boroughs are allowed only when scheduling trips to or from John F.

Kennedy Airport, LaGuardia Airport, Penn Station, Grand Central Terminal, Brooklyn Cruise Terminal, and Manhattan Cruise Terminal. (When requesting Taxi Authorization to or from one of the transportation hubs listed, customers must enter the specific address, except for the airports which must include the terminal number.) Customers looking to travel to or from Port Authority Bus Terminal via taxi must call AAR directly to make travel arrangements. Taxi Authorization may be subject to some additional restrictions on specific locations.

If you request a Taxi Authorization for a trip between two boroughs outside of these permitted locations and click **Submit Trip Request**, you will receive an error message reading “Taxi authorization for county not allowed.” If you request a Taxi Authorization to a restricted address and click **Submit Trip Request**, you will receive an error message reading “Taxi authorization to this address is not allowed.”

## How do I apply for reimbursement for Taxi Authorization?

When utilizing Taxi Authorization, customers are responsible for arranging for their own taxi/car service at the time of travel, including paying the fare, tolls, and no more than a 15 percent tip, obtaining a receipt from the driver or app, and submitting a complete reimbursement request to AAR online or by mail. If the trip meets all policy requirements, customers will be reimbursed the cost of their trip minus the AAR Paratransit fare. Reimbursement requests must be submitted within 60 days from the trip date, include required documentation (including meter taxi receipts, or for-hire/car service vehicle receipts with pick-up and drop off addresses and trip date as authorized by AAR, along with fare, tolls, and tip), and include the customer's name, address, AAR ID number, and the Taxi Authorization/Trip ID number. The best way to ensure that the reimbursement package is complete is to submit online or use our form and be sure to complete all required fields.

## What happens if I get an error when I enter my To or From address while requesting a trip or subscription?

You may receive a message reading “Google Maps does not recognize the address entered or Address not found” when entering a To or From address. These error messages may indicate that you have entered an address in a format that MY AAR cannot recognize.

If that happens, double check that you have entered a numbered address. The names of landmarks (like “Times Square” or “Madison Square Garden”) and cross streets (like “59<sup>th</sup> Street at 7<sup>th</sup>”) will generate an error message. If your error message persists, try these tips:

- If the address contains a dash in the house number, enter the address without the dash.
  - If you entered: 180-37 Nightinfairy Street
  - Try entering: 18037 Nightinfairy Street
- If the address has a zero after a dash in the house number, enter the address without the dash and the zero.
  - If you entered: 186-07 Nightinfairy Street
  - Try entering: 1867 Nightinfairy Street
- If the address contains a letter following the house number, enter the address without the letter or, enter a space between the numbers and letters.
  - If you entered: 180B Nightinfairy Street
  - Try entering: 180 Nightinfairy Street or 180 B Nightinfairy Street

- If you entered an address with an abbreviation (e.g. St, Blvd, Ave, Ct, Dr, E, W), try entering it without the abbreviation. If you entered it with an abbreviation, try entering it with one.
  - If you entered: 55 Water Street
  - Try entering: 55 Water St
  - If you entered: 180 E Nightinfairy
  - Try entering: 180 East Nightinfairy
- If you entered an address with NY, NY, try entering Manhattan, NY instead.
  - If you entered: 180 Nightinfairy Street NY, NY
  - Try entering: 180 Nightinfairy Street, Manhattan, NY

If none of the above suggestions work, call AAR at 877-337-2017 or 718-393-4999 and follow the prompts to book your trip.

## Can I book trips to and from the airport using MY AAR?

You can use MY AAR to book trips to and from airport terminals. If you are traveling to either John F. Kennedy Airport or LaGuardia Airport, enter the airport abbreviation *and* the terminal name (letter or number) into the To or From field (e.g. JFK Terminal 1 or LGA Terminal B). Typing only the airport name or abbreviation will return no results; you must enter the terminal information. If you do not see the terminal you are looking for in the drop down once you start typing, make sure to write the entire terminal name.

Please note that MY AAR does not serve airport cargo locations.

The screenshot shows a search interface for the 'From' field. The input field contains 'LGA Ter'. Below the input field, a dropdown menu displays four search results for LaGuardia Airport (LGA) terminals. At the bottom of the dropdown, there is a radio button labeled 'Arrive by / Appointment'.
