FOREIGN EDUCATION FACT SHEET

- In order to receive credit in the examination for your foreign education, you **must** have your foreign education evaluated by **one of the approved services below**. **IMPORTANT:** Education is considered foreign if it was attained outside of the 50 states of the United States; Washington, D.C.; and the territories of the United States, including American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the Virgin Islands of the United States.
- Refer to the Notice of Examination to find out whether you need a "document-by-document" evaluation (general) or a "course-by-course" evaluation (which includes a "document-by-document" evaluation) of your foreign education.
- The cost of evaluating your foreign education is paid by the applicant.
- Your evaluation must be received no later than **8 weeks** from the last day to apply for this examination. If your evaluation is not received by this time, your foreign education will not be rated. An extension of this time limit is available if the evaluation service submits an acceptable reason in writing for the delay.
- All acceptable foreign education evaluations submitted directly by the evaluation service to the address below **will be retained in a permanent file for future reference**. **However, if a document by document evaluation is on file with us and you are now applying for an examination that requires a course by course evaluation to meet the education qualification(s), you will need to have an evaluation service send us a course by course evaluation. If you are having a foreign education evaluation sent to us for the first time and you are applying for multiple exams in the same month, the evaluation service that you use only needs to send us one foreign education evaluation.**
- Photocopies of foreign education evaluations received from candidates will **not** be accepted and may be returned or discarded.
- Only foreign education evaluations submitted directly to us by an approved evaluation service with a *raised seal* or an *original stamp* of the evaluation service on the evaluation will be accepted.
- If you previously had a foreign education evaluation done by one of the approved evaluation services listed on the reverse side for another purpose, we will accept your foreign education evaluation provided that it is stamped "*certified duplicate original*" **and** received directly from that evaluation service.

In order to obtain an official confirmation that we have received your foreign education evaluation from the service that you selected, we recommend that you have a stamped, self-addressed postcard included by the service when your evaluation is sent to us. We will return the post card to you to acknowledge that your foreign education evaluation has been received. **Due to the number of foreign education evaluations received, a delay may occur in confirming the receipt of your evaluation by telephone or in-person inquiries.**

Have the evaluation service include:

- Your **name** and **social security number** on the evaluation; and
- The **Exam Title** and **Examination Number** of the examination you are applying for on the envelope.
- A stamped, self-addressed stamped postcard (for confirmation of receipt of your foreign education evaluation).

Have the evaluation service mail or email your completed original evaluation to:
