You are responsible for determining whether you meet the qualification requirements for this examination prior to submitting your application. If you are marked "Not Qualified," your application fee will **not** be refunded and you will **not** receive a score.

REQUIREMENTS TO BE APPOINTED

Driver License Requirement: At the time of appointment, you must have a Motor Vehicle Driver License valid in the state of New York with no disqualifying restrictions that would preclude the performance of the duties of either title. If you have serious moving violations, license suspension or an accident record you may be disqualified. This license must be maintained for the duration of your employment in either title.

Drug Screening Requirement: You must pass a drug screening in order to be appointed and if appointed, you will be subject to random drug and alcohol tests for the duration of your employment. Additionally, if you have tested positive on a drug or alcohol test or had a refusal to test during pre-employment or while employed by a Federal DOT-regulated employer during the applicable period, you must have completed the Substance Abuse Professional (SAP) process required by federal law in order to be appointed to this safety-sensitive position.

Medical Requirement: Medical guidelines have been established for the position for Transit Electrical Helper in the Lighting, Power and Signal departments. You will be examined to determine whether you can perform the essential functions of the position of Transit Electrical Helper. Where appropriate, a reasonable accommodation will be provided for a person with a disability to enable him or her to take the examination, and/or perform the essential functions of the job.

Residency: New York City residency is not required for these positions.

English Requirement: You must be able to understand and be understood in English.

Proof of Identity: Under the Immigration Reform Act of 1986, you must be able to prove your identity and your right to obtain employment in the United States prior to employment with MTA New York City Transit.

THE TEST

Your score will be determined by a competitive education and experience test. You will receive a score of 70 points for meeting the minimum experience and education requirements listed in the "How to Qualify" section above.

After you meet the minimum experience and education requirements listed in the "How to Qualify" section above, you will receive additional credit for additional years of experience beyond the minimum required experience, up to a maximum of 100 points, on the following basis:

1. 10 points (for a total score of 80) for at least one but less than two years of additional full-time satisfactory experience as a helper in the electrical, electronic, or electromechanical fields in the maintenance, repair, testing, construction or installation of electrical equipment; or
2. 20 points (for total score of 90) for at least two but less than three years of additional full-time satisfactory experience as a helper in the electrical, electronic, or electro-mechanical fields in the maintenance, repair, testing, construction or installation of electrical equipment; or
3. 30 points (for a total score of 100) for three or more years of additional full-time satisfactory experience as a helper in the electrical, electronic, or electro-mechanical fields in the maintenance, repair, testing, construction or installation of electrical equipment.

Experience must be obtained by the **last day of the application period**. You will receive a maximum of one year of experience credit for each year you worked. If you have any of the above experience on a part-time basis, it will be credited according to the equivalent percent of full-time experience. **Experience used to meet the minimum requirements cannot be used to gain additional credits.**

Veterans' or Disabled Veterans' Credit will be granted only to eligible passing candidates who request that such credit be applied. Veterans' or Disabled Veterans' Credit should be requested at the time of application, but **must** be requested before the date the eligible list is established. Claims for Veterans' or Disabled Veterans' Credit cannot be made once the eligible list is established.

THE TEST RESULTS

If you pass the competitive education and experience test, your name will be placed in final score order on an eligible list and you will be given a list number. You will be notified by mail of your results. If you meet all the requirements and conditions, you will be considered for appointment when your name is reached on the eligible list. If you are marked "**Not Qualified**", you will receive a **Not Qualified Letter**.

ADDITIONAL INFORMATION

Probationary Period: The probationary period for **Transit Electrical Helper** is one year.

Signal Maintainer Trainee Appointment Conditions: Signal Maintainer Trainee is a trainee class of positions subject to Rule 5.8.1 of Personnel Rules and Regulations of the City of New York, with a probationary period of 12 months; however, the Trainee service and corresponding probationary period may be extended to a maximum of 18 months. Upon satisfactory completion of the Trainee service and corresponding probationary period, permanent employees in this class of positions will advance, without further examination, to the title of Signal Maintainer.

Selective Certification for Commercial Driver License (CDL): You may be considered for appointment to positions requiring a Commercial Driver License through a process called Selective Certification. If you qualify for Selective Certification, you may be given preferred consideration for such positions in Electrical Power Maintenance.

To qualify for Selective Certification, you will be required to possess at the time of appointment either:

1. A Class B Commercial Driver License valid in the State of New York with endorsement for hazardous materials and no disqualifying restrictions; or
2. A Motor Vehicle Driver License valid in the State of New York and Learner's Permit for a Class B Commercial Driver License valid in the State of New York.

All applicants for this Selective Certification must provide proof of residence in the state for which the license and/or permit is issued.

If you qualify under #2 above, you will be appointed subject to receipt of a Class B Commercial Driver License valid in the State of New York with an endorsement for hazardous materials within six months of appointment. For all appointments through Selective Certification, the Class B Commercial Driver License valid in the State of New York with an endorsement for hazardous materials and no disqualifying restrictions must be maintained for the duration of employment in the Electrical Power Maintenance Groups. If you have serious moving violations, license suspension or an accident record you may be disqualified. Candidates interested in Selective Certification should follow the instructions on page seven of the *Education and Experience Test Paper* form. You may also meet the requirements for Selective Certification and may request to be included on future Selective Certifications at any time during the life of an eligible list. In such an instance, you are required to notify MTA New York City Transit as indicated in the Correspondence Section below.
