Your Safety Is Our Top Priority!

Help us make your trip safer! Step over the gap between the train and platform when boarding and exiting.

Never stand at the edge of a platform, or lean over a platform to see if your train is coming.

Please safeguard your property, including your electronic devices. Never attempt to retrieve something from the track area. If you drop something onto the tracks, notify a LIRR employee for assistance.

Never lean against standing train. Be extra careful in the winter, especially if ice forms on stairs and platforms.

Obey posted instructions if the platform is undergoing rehabilitation.

Before Boarding Your Train

Station platforms are accessible to mobility-impaired customers. Please inform the conductor if you need assistance on and off trains.

Ticket purchases on board trains will cost more. To save money, buy before boarding at ticket offices and machines.

Westbound PEAK AM electric trains displaying white and red headlights simultaneously are short of cars. If red lights appear, you may need to reposition yourself on the platform to board.

The LIRR is a smoke-free public transportation system. Smoking is prohibited at all times on all trains; in all waiting rooms, elevators, staircases and enclosed waiting areas; and in outdoor ticketing, boarding and platform areas of terminals and stations.
