

Port Washington Branch

This pamphlet shows the proposed December 2022 schedule at the following stations:

Flushing Main Street

Murray Hill

Broadway

Auburndale

Bayside

Douglaston

Little Neck

Great Neck

Manhasset

Plandome

Port Washington

Service Overview

Weekday Peak (arriving NYC 6 – 10 AM and departing 4 – 8 PM)

Trains will generally follow two distinct patterns, with a mix of both Penn Station and Grand Central direct service:

- Inner zone trains will make all stops to Bayside, then continue to Great neck. Some trains will stop at Douglaston and Little Neck.
- Outer zone trains will make their first stop at Bayside or Great Neck, and then make all stops to Port Washington.

Transfer opportunities are available at Woodside for Jamaica and points east, as well as the other Manhattan terminal.

Queens stations see up to 40% more AM Peak service and 29% more PM Peak service – plus more express trains for Bayside, Douglaston, and Little Neck stations.

Off-Peak and Weekend

Trains will run every half hour between Manhattan and Port Washington, with hourly service to Penn Station and hourly service to Grand Central.

All trains will make all stops.

Murray Hill, Broadway, Auburndale, and Plandome customers see double current weekday midday service levels, as all trains will make all stops.

85-minute morning eastbound and 72-minute evening westbound gaps in service at Queens stations have been closed.
