

*Penn Station Access is a critical transportation equity project which will improve reliability, reduce travel time, and expand mass transit options throughout the region.*

## Closures on Bronxdale Avenue between Poplar Street and Sackett Avenue

Ongoing work on the Penn Station Access project will require a one-lane closure, sidewalk closure, and parking removal on Bronxdale Avenue between Poplar Street and Sackett Avenue.

**Beginning Tuesday, October 25th for approximately two weeks:**

One travel lane and the parking lane on northbound Bronxdale Avenue will be closed. One travel lane will remain open. Additionally, the northbound sidewalk will be closed. Pedestrians will be routed to a protected temporary sidewalk. Access to businesses along Bronxdale Avenue will be maintained.
