

MTA New York City Subway

Late Night Service
Approximately Midnight to 6:00am

Key

The subway operates 24 hours-a-day, but not all lines operate at all times.

For more service information visit mta.info, call our Travel Information Center at 511 for help in English or Spanish (24 hours), or ask an agent for help in all other languages (6:00am to 10:00pm).

To show service more clearly, geography on this map has been modified.

Service Note:
This map depicts Late Night Service, approximately Midnight to 6:00am. All stations are served though not all lines run. Most lines run local, making all stops. Check overhead signs on platforms for details. Construction and maintenance work generally take place overnight. Please consult mta.info, the MYmta app, and station signs for service change information.
